Who we are

- KFPE is an alliance of Swiss institutions that engage in such research partnerships
 - 12 Members from research and funding institutions
 - 40+ associated Institutions from academia, administration and civil society from Switzerland and worldwide

Our Mission

- Promoting research partnerships with institutions in LMICs to advance global cooperation and sustainable development
 - sensitize researchers, research funders, policy makers and the public for the benefits of fair research partnerships
 - empower researchers to work together through efficient, effective and equitable partnerships

Activities

- Stimulating the reflection and debate on how to improve the quality and impact of research partnerships
 - KFPE Guide for Transboundary Research Partnerships
 - Guidelines for Conflict Sensitive Research
 - Fair Research Contracting
- Connecting researchers from different countries and actors from policy, administration, business, and international development cooperation
 - Annual Conference and online Workshop Series
 - Factsheets
