

Climate action under Article 6.2 of the Paris Agreement

- ▶ Private entity with a legal mandate under the Swiss CO₂ law
- ▶ Compensating emissions from the Swiss transport sector nationally and globally (purchase of ITMOs – Internationally Transferred Mitigation Outcomes)
- ▶ Acting on behalf of Swiss motor fuel importers
- ▶ Obligated by Swiss law to buy 20 million ITMOs abroad (t CO₂e until 2030, 3-5 m in host country)
- ▶ ITMOs are sourced by the KliK Foundation through mitigation activities implemented in host country, and used by Swiss government to fulfil its NDC target

Background and partner countries

- ▶ KliK Foundation fulfils part of Switzerland's NDC target by procuring emission reductions in Switzerland and abroad until 2030.
- ▶ 13 signed bilateral climate agreement so far that give the legal frame for MO transfers.
- ▶ Switzerland continues to negotiate bilateral agreements with other countries.
- ▶ KliK Foundation is procuring mitigation activities in all these countries in cooperation with the Swiss government.
- ▶ Big success end of 2023: First issuance of ITMOs from Bangkok E-Bus Programme.
