swissnex

Swissnex is an initiative of the State Secretariat for Education, Research, and Innovation and is part of the Confederation's network abroad managed by the Federal Department of Foreign Affairs.

Our activities are based on a collaborative approach, relying on public and private partnerships and funding.

## Connecting Switzerland and the world in education, research and innovation.

### Academia

We connect Swiss universities, researchers and academics, fostering the international exchange of research and ideas.

- Seminar Series, Immersive Camps, Tours, Deep Dives
- Mobility Programs, Residencies, Sabbaticals
- Collaborative Online International Learning Experiences (COIL)

### Startups

We help Swiss startups go global with our equity-free, tailor-made programs and internationalization camps.

- Startup Camps powered by Innosuisse
- Exchange Programs: Climate Collider, Lean Launchpad, AIT
- Swisstech, Venturelab, others

### Innovation

We provide insights derived from a wide-ranging ecosystem of creative activities across education, research and innovation encompassing foresight, technology and trend scouting.

- Reports, press summaries, analyses, visits, workshops, contacts

### Arts & Science

We empower Swiss-affiliated artists, designers, architects, curators and other arts professionals and institutions working at the intersection of the arts with education, research and technology to expand their reach, gain exposure, and find the right partners in our global locations.

- Exhibitions, events, and much more!
