Impact through entrepreneurship

REPIC Veranstaltung

November 2025 | Confidential

elea partners with impact entrepreneurs

How we work

Our purpose

elea exists to fight absolute poverty with entrepreneurial means.

Financial commitment

We finance early-stage growth of impact ventures.

Active value creation

We provide tailored strategic support and access to our network.

Our four investment themes

Addressing the fundamental needs of people affected by absolute poverty

Problem

Poverty of smallholder farmers

Underserved urban and rural communities

Youth unemployment

Exposure to negative climate effects

Theory of Change

Opportunities from new markets

Offering impactful goods and services at fair prices

Facilitate income generation

Increase climate resilience and mitigate climate change

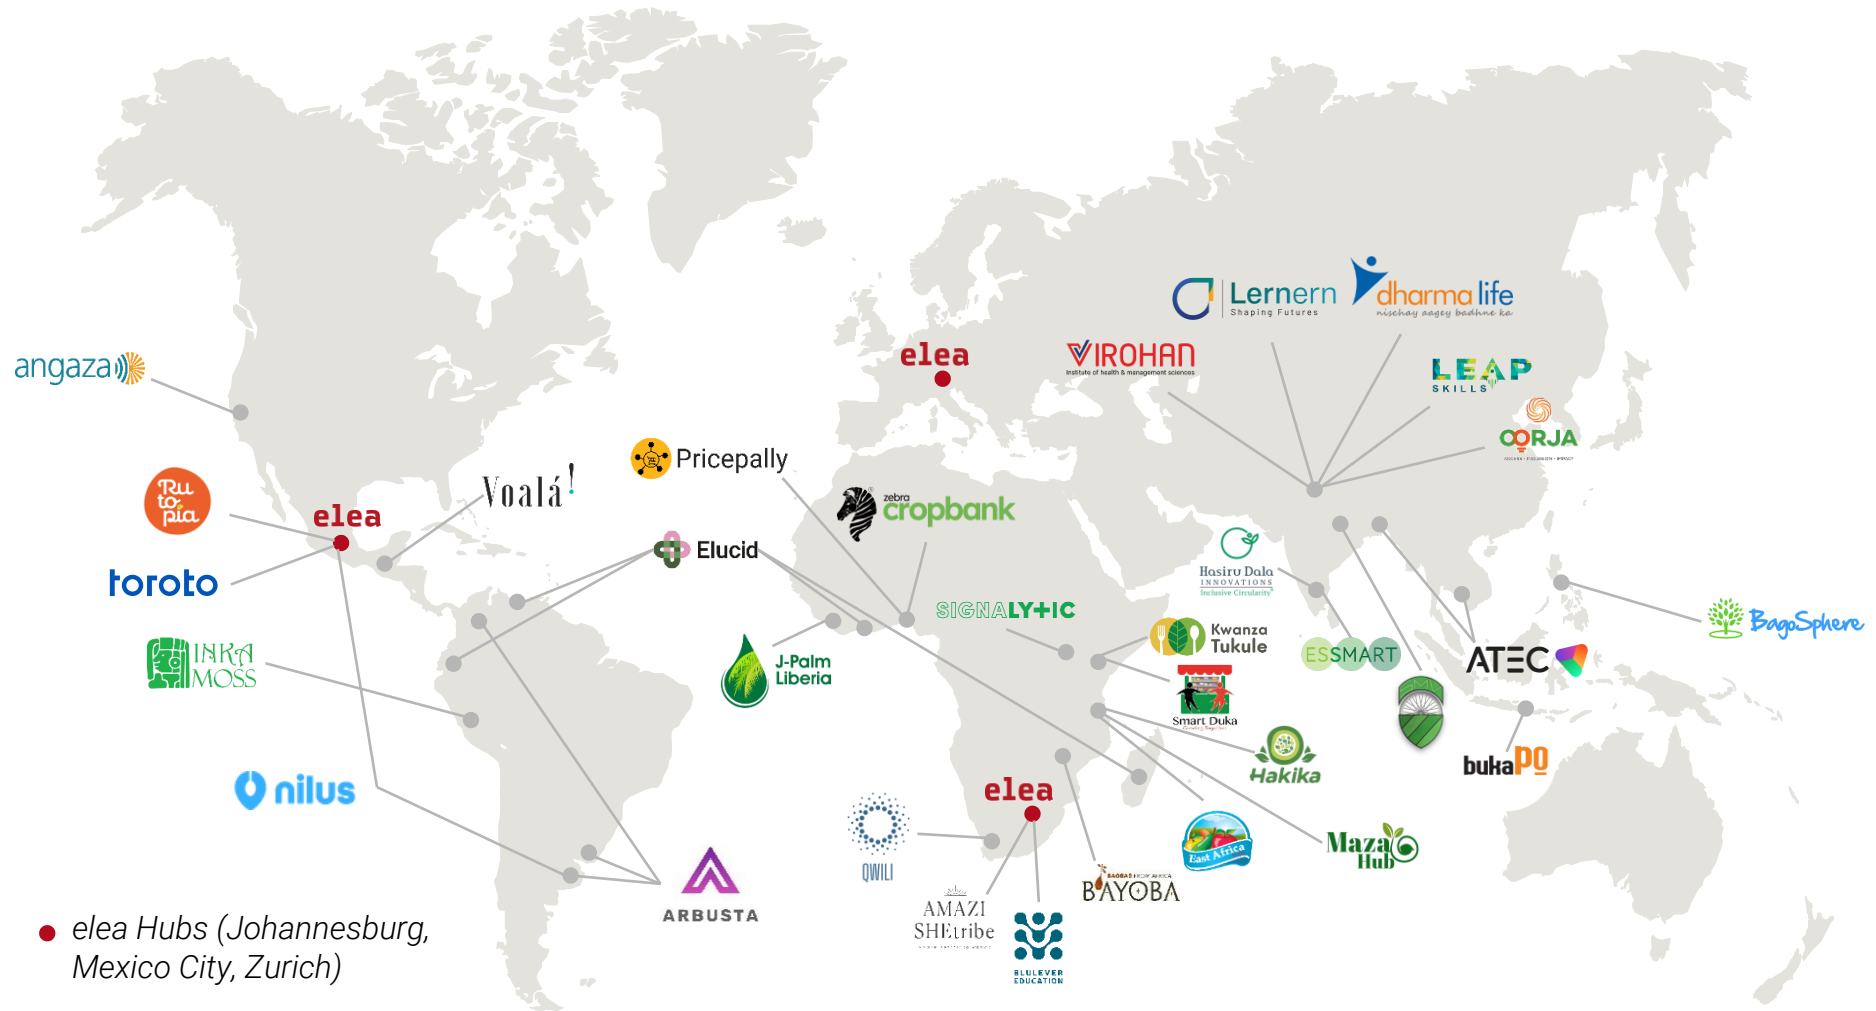

Agricultural value chains

Last-mile retail and services

Employable skills

Climate and livelihoods

Our global portfolio

27

Emerging economies

32

Impact ventures

2.3 million

Impact points

> 50 million

Impacted people
